Our Mission:
To serve the residents of Twin Falls County by supporting projects in health, wellness, or health education.

Improving health and wellness

The **Twin Falls Health Initiatives Trust, Ltd** is a 501(c)3 non-profit organization dedicated to promoting health, wellness and related education in Twin Falls County. **TFHIT** provides grant opportunities to non-profit organizations in pursuit of this mission.

TFHIT provides grants to local health service organizations who are non-profit and can improve the health and wellness of citizens of Twin Falls County.

Proposed Timeline

July 21, 2010:
Release of Grant Application

Sept 1, 2010:
Deadline for submission

November 2010:
Final Award Decision

Jan 2011:
Award Ceremony

Funding Priorities

Access to Care and Affordability - *(For example: increase availability of timely appointments; improve access to transportation).*

Education & Prevention - *(for example: reduce language barriers for services; increase awareness of resources or illness /injury prevention).*

Economically Disadvantaged Populations - *(for example: sliding fee services based on income; services for the uninsured or underinsured).*

Workforce – *(for example: improve access to professional education and training; reduce provider shortages in key health areas).*

Grant Applications are available in mid-July of each year on the website:

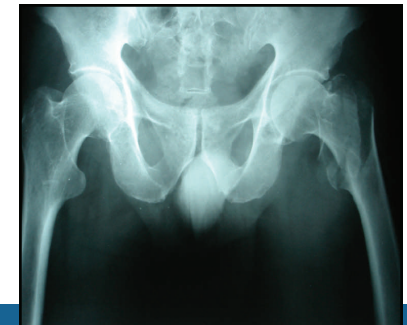

www.twinfallshealthinitiativetrust.org

Or call Misti Lockie at 208-410-3633

Deadline for submission is September 1.

Grant Eligibility

- Successful grant applicants should primarily serve Twin Falls County residents, and must be non-profit in order to be eligible.
- Organizations applying must also prove ongoing financial and program stability.
- Previous recipients of grants who fail to provide proper reports and who do not meet requirements may be ineligible for future funding.
- The ability to show matching funds for projects are encouraged.
